#### Laura Crockford

Laura Crockford, Sean & Genella McDonald and Superintendent Mike Tursi attended the meeting to discuss a crosswalk in the center.

Laura explained that at the beginning of the school year, the school sent out an email to parents that the kids can no longer walk to the center and must ride the bus, but Mr. Tursi reversed the decision after hearing from several parents.

Laura asked the Selectmen where they are in the process. Mr. Tursi said that the original decision to bus the children to the center was made to address the safety concerns about the children crossing the roads on the way to the Library in the afternoon.

Laura questioned why the crosswalk was brought up at a School Board meeting in June. Ken explained that the Selectmen met with DOT and the State Representatives to discuss other concerns. It was at that meeting that the crosswalk was brought up. Ken and Art both attended the June School Board meeting and notified them of the discussion that they had.

Laura explained that it still feels like a crosswalk would be a good visual key for the kids to cross. She was happy to hear that the kids are not restricted to only taking the bus. She doesn't understand why they can't pursue this again.

Howard stated that he doesn't want the State to keep the Town from doing something. Art explained that having a crosswalk is not always the safest. He's concerned that there will be a

false security for the kids. The State Engineers cited statistics that show unguarded crosswalks are more dangerous than no crosswalk. The town asked for volunteer crossing guards and there was only one person that responded.

Laura stated that she doesn't like taking away walking from her kids. It's a nice thing for the kids to walk to the Library.

Mr. Tursi feels that this is a prime opportunity to work together. If the Town decides to do the sidewalk, the school will provide a crossing guard.

Art thanked them all for attending. The Board will email Laura with their decision.

Art made a motion to enter into non-public session at 6:17 PM under RSA 91-A: 3, II(c) to discuss a personnel matter. Cheryl seconded the motion. All in favor by roll call, motion carried.

Cheryl made a motion to exit the non-public meeting at 6:24 PM and to permanently seal the minutes due to the personnel matter discussed. George seconded the motion. All in favor by roll call, motion carried.

Ken reviewed a violation letter from DES to Mr. Hiltz with the Board.

Ken explained that he has received a proposal from RMON for an IT Refresh in the amount of \$44,000.

The 2019 Health Insurance rates have increased by 10.5%.

Ken explained that the Library had a problem with their alarm system. Since it also serves the Meetinghouse, the Town will contribute \$500 toward the repair.

Ken explained that he received a complaint about a Class VI Road being barricaded off with no trespassing signs. Ken sent an email to the property owner notifying her that she cannot block the road.

With no further business to come before the Board, Art made a motion to adjourn the meeting at 6:50 PM. Cheryl seconded the motion. All in favor by roll call, motion carried.

The next scheduled meeting will be held on November 5, 2018 at 5:00 PM.

Respectfully submitted,
