November 14, 2016

Selectmen Present: Cheryl Gordon  
Art Hudson  
George Glines

Town Administrator: Ken Folsom  
Fire Chief: Pete Angwin  
Deputy Fire Chief: Jon Camire  
Lieutenant: Nick Baker

The meeting was called to order at 6:07 PM

Ken explained that Pete had wanted to have a meeting with the Selectmen and his Officers to discuss any outstanding issues.

Pete explained that they have worked through any concerns or problems they had. Both Pete and Ken agree they are working well together. Art stated that he does not know all the Fire Department Members and would like to come up to the Station during one of the trainings to meet them.

Nick left the meeting to attend a medical call.

A brief discussion was held on the number of Volunteers and the challenges they have recruiting new members.

Jon explained the various training levels available. The training all depends on what the volunteer is looking for. They do some in-house training, shadow on calls and attend the Academy for further training. Jon explained that there are really no "fire departments" left, they are now more of a "hazardous mitigation department".

A brief discussion was held on the local and state wide opioid concerns.

Nick returned to the meeting.

Pete and Jon explained that they have monthly meetings to discuss:

- Finances
- Call Volume
- Call review
- Update Members on what is available for training.

The remaining Monday nights they have training.

Jon reported that they also have EMS training alternately located in Penacook and Canterbury.

Pete reported that he also has monthly meetings with area Fire Chiefs.

Art made a motion to adjourn the meeting at 6:58 PM. Cheryl seconded he motion. All in favor by roll call, motion carried.

Respectfully submitted,
