Jim reported that there has been a lot of plowing and that they are still pushing back the snow. Ken explained that he received a call from Sue LeClair regarding the amount of snow on the flat roof of the Library and the amount that has drifted on the backside of the building. Jim will look into this.

Ken reported that an accident occurred the week prior that will require the replacement of a plow. Jim reported that they are using the plow that goes on the grader in the interim. Jim is looking into purchasing a used plow.

Jim asked the Selectmen if they would visit a parking ban as well as people plowing snow across the road. Bob explained that he didn't believe the Town had a large problem with abandoned vehicles and asked how adopting a parking ban would help. Jim stated that if a parking ban was in place, he would have the ability to call and have the vehicle towed. The Selectmen will send a letter to J & D to authorize the Road Agent of the Town of Canterbury to call and have vehicles towed during winter maintenance.
