

## FROM THE PASTOR

Dear Friends,

On May 17 our son, Sam, his wife, Catherine, and Catherine's parents from Brisbane, Australia attended the Sunday service in Canterbury. We had a wondrous weekend meeting Catherine's parents for the first time. We spent Saturday morning in Mason, NH where Sam spent his first ten years, Saturday afternoon in Portsmouth, NH wandering about Market Square. On Sunday they wanted to be in Canterbury. Places and people provide meaning for us as we make our way through life.

Sunday morning was to be the end of their visit. Bill and Jo Mellor have three children scattered over the world and we were their first stop to see them all. Catherine lives in Washington, DC. Their daughter, Julia, lives in Seoul, South Korea, and Brenton, their son, lives in Australia.

The service, then, was to be the final experience with us before we drove them to the airport for the next part of their journey. When Kathy Lundahl finished the postlude, a beautiful piece by Sibelius, Bill and Jo sprinted to the organ to speak with her before getting surrounded. They loved the music, and that particular postlude is one of their favorites. I can't think of a more fitting way for our visit with them to end, in a celebratory way, than with beautiful music. Music is a universal language of joy, beauty and love. It touches us as nothing else can, and centers us in what truly matters.

Bill and Jo marveled at the joy and quality of our choir. Bill especially commented on the calm, joy of our children during the Children's Story, who offered alternative and additional story lines, as always, to what I thought might work on that day. The feeling of vibrant life lived in community impressed them, and they said so.

While we know this to be true, that Canterbury is a small community where we intentionally live in a way that matters, as best we can, I wonder if we realize that it takes energetic commitment, always, to make it happen. The Canterbury Fair is one annual opportunity for us to gather for this common work in a joyful way. Most of its proceeds help families in need in the year ahead. There is always a need for many people to step forward and offer a day of work on the last Saturday of July.

Then, there is the music from Dudley Laufmann and company, and Morris Dancers, and Shaker Singers, and the offerings of Kathy Lundahl and others this early summer season. Attend the concert on May 31, 4 p.m. in the Parish House. Stay aware of more music planned.

Be well.

Peace be with you,

Bill

After the parade, meet in front of the Church for the start of the Games. There are events for ALL ages! Prizes and ice pops are awarded for participation! Wicked cool prizes are already ordered!

Toddler Time: for ages 2 and under - good fun in the shade of the Church. Bubbles and board books are available.

Water Relay - for ages 3-5 years however younger ones might like to try too!

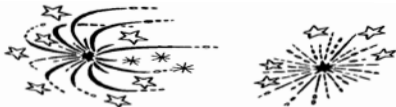

Sack Race: All ages! I basically run groups that want to compete by age until everyone has had the chance to hop. Good traditional sack race.

Tug of War - that's right! People loved this last year so let's do it again!

Water Balloon Toss: all ages welcome - a real crowd pleaser!

Horseshoes - why not, right?

## CANTERBURY FAIR NEWS!!!

More help than we have is needed from Canterbury citizens!

This year because of family commitments and the timing of the Fair folks who have played key roles at the Fair cannot help. There are some serious gaps in tasks that need to be done for the Fair to happen. Please consider how important the Fair is to our community. It is one day when the whole town gathers in the center to play together and celebrate the wonderful community in which we all live. THIS YEAR the Fair needs lots of new players...people who appreciate the feel of our town and how we keep it a special place to raise our kids and grow older together. Here is what is needed:

1. Someone to shadow Skip Hayslip to be the PARKING CZAR Fair day for next year. Call Skip and he'll tell you what he does: 848-1592

2. Someone to shadow Jim Wieck, who with wife Kim, coordinate the Chicken BBQ. They need someone(s) to do it next year: 783-4774

3. A whole lot more people young and middles alike to help at Fair Day end (4 PM) for several hours to take down and put everything away.

Call Jack Evans 496-9730 or Lisa Carlson 783-0335.

Lots of different things to do at the end of the day.....tasks for everyone!

4. The What Not Sale REALLY needs more workers this year to help sort and price two weeks ahead of time and FAIR DAY to work in the Town Hall helping Fair goers find treasures. We just need more volunteers! Please call Sally Hayslip: 848-6408.

The Canterbury Fair is a major fundraiser for our community church AND The Canterbury Fund, both that serve our whole community. We all benefit from the proceeds of our Fair. We cannot produce our town fair without everyone pitching in and helping. So, if you are new to town, please give it a try. If you have volunteered in years past, well, we need you again. Maybe you cannot commit to a whole day, but a couple of hours means you can still enjoy Fair Day and help it be more successful.

Please call me at 783-0335. I'll talk with you about opportunities to help out and see if any of them are a fit for you! WE REALLY NEED HELP!  
Many thanks.....SEE YOU AT THE FAIR!

## Happy Father's Day

"I watched a small man with thick calluses on both hands work fifteen and sixteen hours a day. I saw him once literally bleed from the bottoms of his feet, a man who came here uneducated, alone, unable to speak the language, who taught me all I needed to know about faith and hard work by the simple eloquence of his example."

## RECYCLING CENTER NEWS

### Please Sort...

your recycling as well as you can to prevent delays at the recycling center! We do our best to help you sort and keep traffic moving at a steady pace, but recently we have received a large amount of unsorted and contaminated material that really slows down processing; our ability to serve the public quickly and efficiently is affected.

Recyclables are as follows: **1&2 plastic bottles, aluminum beverage cans, steel food cans and aluminum foil**, as well as any kind of **paper, cardboard, and paperboard** (as long as it isn't foiled or shiny) is **ALL FREE AND RECYCLABLE!!!** Add **compostable food scraps and yard waste, clothing and shoes**, and miscellaneous **metal** items to the list of easily recyclable materials and less than 20% of your average waste stream actually has to go in the trash. If you are routinely buying items that come in packaging we can't recycle, consider alternatives, or at least nest like-containers inside each other and stuff with trash plastic wrap/bags to reduce the space they take up in your bags.

The program is only fair and equitable if everyone is paying for their own waste: payment is expected at the time of delivery for anything other than a green Canterbury PAYT bag. Please be aware that vehicle information is noted for drive-offs without payment and repeat offenders are reported to the police department; this is the only way to address illegal dumping issues and keep it fair.

Please let us know if you have a garage, basement/attic, or barn clean-out to take care of, we can direct you to free or low-cost donation programs for many items, and help you separate your materials to keep it as inexpensive as possible. Don't forget about FreeCycle and the Canterbury Online Yardsale on FaceBook as avenues to reuse items with life left in them. Thank you so much for all of your work to keep Canterbury clean and beautiful and protect our soil and waterways from harmful waste contaminants!

Please email or call with questions! We're here to help!

## Canterbury Fire Department

In the month of May we had one of the busiest months on record in quite some time with brush fires and other calls. With no rainfall and the dry conditions, that has made this spring season a brush fire's haven. While I was away, the fire department spent the week fighting brush fires here and around the state.

On Monday, we had a 23.7 acres brush fire off Baptist Hill Road. That fire required a third alarm brush response. That was a problem because the city of Concord had a sixth alarm brush fire going at the same time, which took all of the resources we normally would have received. So, that meant we had to get our mutual aid from the Lakes Region area. We had trucks and equipment as far away as Campton, Thornton, Belmont, Gilmanton, Sanbornton, State Patrol 7, Center Harbor, Gilford, Laconia, and Holderness respond to our brush fire.

On Tuesday, we had to go and clean up hot spots on Baptist Hill Road and pick up all the hose that was used the day before. A task force from Lakes Region assisted in the mop up efforts. The Officers and Firefighters of this Department did an outstanding job putting this fire out before it got to any structures. But it didn't stop there. While all this was going on, there were other calls in town which a Mutual Aid Engine had to cover.

On Wednesday, we responded to a call in Tilton/Northfield for a brush fire deploying more resources. On Thursday, they went to Belmont for a brush fire. When all that was over, they had a few thousand feet of hose to clean and repack and put back on the trucks. After they washed most of the hose, one of the men decided that there had to be a better way to get the hose clean. So, this person (whom I won't name, but his initials are S. R.) built a hose washer that if we went out and purchased would have cost us seven to eight hundred dollars. That is what makes this Fire Department strong and a great organization. We have people who step up when something is needed and they make it happen.

The Town of Canterbury should be very proud of their Fire Department. They stepped up when it counted and took care of business. As their Chief, I was very proud of the entire Department. They did an outstanding job.

~ Chief Peter Angwin

## Canterbury Shaker Village

### Shaker Roots—In Celebration of Simple Living and the Shaker Legacy

The annual dinner and auction to benefit Canterbury Shaker Village will be held on Wednesday, June 24 at 5:30pm. This festive evening will include a special tour of the new Dwelling House galleries and exhibits, dinner and a live auction. There are many ways to support the event—donate a new and unique item, a vacation home or sports tickets for the auction, become a sponsor and attend with your colleagues and friends! Tickets are \$75 per person for \$600 for a table of eight.

### The Shaker Cow Barn Story

On Tuesday, June 30, the second in a series of four special members' events will be held featuring David Starbuck, Professor of Anthropology at Plymouth State University and historical and industrial archaeologist specializing in utopian societies. Professor Starbuck will speak about the significance of the Cow Barn at Canterbury Shaker Village. At 200 feet long, 45 feet wide, and housing over 100 cows, the Cow Barn was the largest in New Hampshire. The structure burned to the ground in 1973 and all that remains is the stone foundation and the legacy of the once vital Shaker building. Light refreshments will be served. Those interested in attending who are not yet Village members may join prior to June 23 and be eligible to attend.

### Letterpress Printing, Shaker Broom Making and Baking with Strawberries

Three Shaker-inspired workshops are being offered in June: The ABC's of Letterpress Printing on June 6; Shaker Broom Making on June 7; and Baking with Strawberries on June 17. Baking with Strawberries is presented in partnership with the Concord Food Co-op and is part of their Wellness and Green Living workshop series. More information and registration can be found online at [shakers.org](http://shakers.org).

THE CANTERBURY HISTORICAL SOCIETY

## Join us at the movies!

|                   |                |                  |
|-------------------|----------------|------------------|
| Thursday, June 18 | 6:30 – 8:00 PM | At the Town Hall |
|-------------------|----------------|------------------|

The Canterbury Historical Society is pleased to present three short films produced by Canterbury residents. These recent additions to our archives will provide you with a deeper and richer understanding of what makes Canterbury such an exceptional place.

**6:30-7:00 — Gathering**

Light refreshments will be available before and after the program.

**7:00-8:00 — Program**

Welcome from the Historical Society by Bob Scarponi.

Each filmmaker will provide a brief introduction prior to viewing. Please stay awhile at the conclusion to discuss, reminisce, and share stories.

**Canterbury Fair, 1995.** Compiled by Frank Tupper, this 35-minute film chronicles the fair from initial set-up to the late afternoon of “Fair Day,” and captures all the sights and sounds of Canterbury’s annual community celebration. You won’t want to miss seeing the antics, hearing the voices, and perhaps even seeing a younger version of yourself!

**Memories of a Ski Area.** Produced by Bob Scarponi and the late Jim Lilly, this 10-minute film tells the story of Canterbury’s very own ski area, “Aukee,” which operated from 1965 – 1972. This is a wonderful tribute to a small-scale, collaborative, and very “Canterbury” ski venue that a generation of current Canterbury residents enjoyed during their childhood. Digitized from original “Super-8” film, with informative narration, you’ll not want to miss this!

**Late Afternoon in January, Canterbury Shaker Village.** This visual tour of Shaker Village features the stunning still photography of Paul Lepesqueur. With Jordan Tirrell-Wysocki’s haunting “Charley Murray’s Waltz” providing the musical bed, we encourage you to sit back for a few mesmerizing minutes and enjoy this special place, at a very special time of the day.

This event is free of charge and open to all. All donations received this evening will support our book project: *The History of Canterbury: The Twentieth Century*.

## **Robert S. Fife Conservation Area Celebration**

About 50 people gathered on May 2 to celebrate completion of the conservation easement on the Robert S. Fife Conservation Area (RSFCA) and to honor Bob Fife for his 45 years of service to conservation in Canterbury.

The town purchased the field along Kimball Pond Road and the woods to the west of the field in 2008. In 2010, the Board of Selectmen agreed to name the area in honor of Bob's service to the town and dedication to conservation. He has served on the Conservation Commission for 45 years, 20 of those as chair (1984-2003).

As a member of the Commission, Bob was involved in conserving numerous properties around town, including the Schoodac Area, Peverly Meadow, the Intervale canoe launch, the Riverland Oxbow area, Kimball Pond, and many others. He has helped maintain those properties with trail work, signage, and mowing, and has put up and maintained duck boxes on several ponds in town.

Bob has always encouraged young people to get involved in conservation and has given his time to teach his skills and share his love of the outdoors, helping Molly Sperduto with the bluebird project and advising Eagle Scout candidates on their big projects.

Bob worked for decades to conserve the property known as Hildreth's field, and his persistence helped get the job done. At the dedication, we unveiled a granite bench inscribed "Robert S. Fife Conservation Area. Recognizing Bob's lifelong commitment to Canterbury's special places. March 2010." We invite everyone to enjoy the view from the bench; if you're lucky, you'll see the bluebirds in flight.

The easement on the RSFCA brings the total conserved acreage around Kimball Pond to 92 acres. The easement permanently conserves the property from development, ensuring that it will continue to provide wildlife habitat, recreational opportunities, and a scenic entry to the town center as well as protect water quality in Kimball Pond. Special thanks to Conservation Commission members Jennifer Taylor (and son Avery) and Faith Berry for managing the bench order and site preparation; to Linda Fife for organizing refreshments, and to Briggs Lockwood and Eric Hauptman who volunteer their time to mow the field every year. Many thanks also to the Society for the Protection of NH Forests, which holds the conservation easement to the Robert S. Fife Conservation Area.

*-Kelly Short, Conservation Commission*

## Eagle Scout Project

Thanks to the effort of many people I recently completed a community service project for my Eagle Scout Award. I am very grateful for the support and financial assistance which allowed me to build a fence and two additional raised beds for the vegetable garden located behind Canterbury Elementary School.

The following people participated in the read-athon fundraiser at CES: Henry Ashworth, Ireland & Kyren Baines, Cindy Charest, Claire & Jack Crockford, Andrew & Madyson Cryans, Lucas Fogg, Destiny Goodsell, Baidyn & Bella Lewis, Mya Maas-Kiesel, Mackenna Marshall, Hailey Matava, Sue Mayo, Anna & Cate McDonald, Gary Messier, Abbie New, Abby & Mary Osmer, Anthony Perillo, Jonathan Phillips, William Riley, Leif Rosenholm, Gavin Singer, Sam Slayton, Darci Stone, Avery & Ronan Taylor, Ava Tonkin, Anel & Dirk vander Merwe, the CES class of 2021, and several anonymous donors.

The following helped with the construction project: Lucas Gendron, Jesse & Jim Miller, Tom & Tommy Mortell, Linda, Nick, & Peter Riendeau, George & Lorraine Savageaux, Jim, Katherine, & Kim Wieck, and Cody, Mark, & Tricia York. Thank you to Mady Cryans and Halla Kirsch for painting the welcome sign. I also received generous support from Uncle Hilde's Lumber Outlet, Concord Home Depot, and Belmont Taylor Rental. I truly appreciate everyone's support and hope you will stop by the CES gardens behind the school this summer. Thank you!
