

# FROM THE PASTOR

Dear Friends,

How far is it to Bethlehem? I realize that right now, at this moment, many of you are saying, "Doesn't Bill know about Google?" Yes, I am a regular user of Google Search, well, a more frequent user. I still catch myself wondering how I can get to the library to look up something, until I remember I have the blessing of living in the 21st century.

How far is it, to Bethlehem? It is a journey that some of us take every year as we search for the affirmation of complete love and new life as told in the story of the birth of Jesus. Easter may be the Christian reason for being, but the nativity stories in the Gospels of Matthew and Luke grab us like nothing else. In fact, it is said by scholars that the writers of Matthew and Luke knew this attraction and wrote the infancy narratives to include all the elements of a faith journey, i.e. feeling lost, suffering, seeking and finding. Not only do we often find, but we find this complete, unapologetic love in the most vulnerable form, that of an infant, exposed to the elements in a dangerous time.

My late, loving friend Elizabeth Orton Jones, aka Twig, who died at 95 in 2005, worked as an artist/writer with Nora Unwin when Crotched Mountain Rehabilitation Center was preparing to open. Twig painted murals for the walls of the boys' ward and Nora did the murals in the girls' ward. I'm told that they are on display at Crotched Mt.

During the first year of being open, about 1950, Twig was talking with the children as Christmas approached. She discovered that not one of the children had ever been in a Christmas Pageant back in their home towns. Every one of their congregations had said that, not being "normal", they wouldn't be suitable characters in a play about the birth of Jesus.

Astonished by this, Twig wrote a play called, "How Far Is It to Bethlehem?" And all the children, in their various abilities and capacities acted from their wheelchairs, carried by others, or guided because of sight impairment and other enhancements to be the shepherds, the angels, the magi, and Mary, Joseph and Jesus. Later she wrote it up in a small book. Every year I read it, to remember.

This year we are changing our celebration, traditionally enacted by our children for us. This year everyone of all ages is invited on Sunday, December 28, at 4 pm to gather in the church sanctuary as we welcome and sing with each other for a few minutes. We'll then start our journey across the Town Common, walking beneath the star of Bethlehem atop the fir tree by the gazebo, stopping a couple of times to sing again. Then we'll cross Hackleboro road to the Inn (aka the Canterbury B&B), where there is no room, of course, and somewhere on the grounds we'll find the family of Mary, Joseph and the infant, Jesus. They'll be surrounded by animals, and the air will be cold, and we huddle for warmth, we'll sing again.

Then, as if this weren't enough, we'll walk to the Parish House and celebrate our usual Christmas Pot Luck Supper; more singing will be had of course. Won't you join us? Because the answer to the question is, it isn't far to Bethlehem. It's a journey of the heart. Millions of people in the world are now making this journey to seek safety for their children as I write. People of all ages are invited to join us!

Peace be with you, Bill

## Canterbury Community Farmers Market

Have you missed us? Well, we have certainly missed YOU and the sunny Wednesday afternoons in the center! However, we are happy to say that you can find us INDOORS on Sat., Nov. 12 at the Canterbury Elementary School gym. Please note that Market hours on Saturday are 10am-1pm.

— You will find many of your favorite summer vendors, plus a few new faces who will join us for the indoor markets. Check the website at [www.ccfma.net](http://www.ccfma.net) or our Facebook page for updates at the date gets closer.

— There will be a greater than usual number of local crafters at the indoor markets because we know that in addition to good food, our friends are also looking for edible, wearable, and decorative gifts for the upcoming holiday seasons.

— We will be offering ready to eat food and a certain amount of café seating. Plan to come, shop, nosh, and visit!

— We will be collecting for Mary Ellen's Basket, the charitable giving program of the Market. Shoppers can show their support by donations of either cash, tokens, or Market goods. The basket will be shared with a Canterbury family who could use some extra help this season.

— Remember that you can use our EBT/credit/debit machine to get tokens to use at any of our vendors and at either of the indoor Markets. If you are a SNAP recipient, we are still offering our \$20 match for the first \$20 of your SNAP benefit used. Ask at the Market Info table.

— The next indoor Market is Saturday, December 10. Also at the CES gym, and also from 10am-1pm. Hope to see you at one or both markets!

## HISTORICAL SOCIETY

### TOWN HISTORY PROJECT MOVES POSITIVELY AHEAD

The Town History Book Committee received the second draft of the 20th Century Canterbury History manuscript from writer, Kathryn Grover in mid-October. The committee members are now hard at work reviewing the document and tending to the many details involved in producing a history of this breadth and scope. Final consideration of the many photographs, images, tables and maps is underway in conjunction with Ms. Grover. The manuscript is expected to be complete by mid-December at which time it will be delivered to Peter Randall Press in Portsmouth where it will be copyedited, indexed and proof read. Further, Randall will oversee the full design of the dust jacket, end leaves, and interior, printing and binding, assignment of ISBN, Library of Congress control number and EAN price-encoded barcode. Randall will also assist in marketing efforts for the book. We expect the book to be published in June of next year.

### PHOTOGRAPHS FOR THE BOOK OR THE ARCHIVES

As we prepare this report we are not sure what response we had to the Photo Harvest we held on October 30th. We hope you were able to come with your pictures, slides or special items. If you were not able to attend, please feel free to contact any member of the CHS Trustees. Our goal is not only to have pictures for the History, but also a record in our Archives of people, places and events so that future historians and researchers can know the who, what, when and where of Canterbury. We would very much appreciate hearing from you.

### WE BEGIN OUR 10TH YEAR OF THE ONE ROOM SCHOOL HOUSE PROGRAM

It was over 10 years ago that Joan Leggett initiated and agreed enthusiastically to lead our One Room School house program, one that went on to win national awards for its excellence. Now, it continues with the committee now under the leadership of Anne Emerson. The group held its first meeting in October. The program is a joint effort between the Historical Society, the Canterbury Elementary School teachers and staff and the Shaker Regional school district. This all volunteer program replicates the one room school house experience from years past for all the students attending our elementary school (even kindergarten) and recently, all second graders from Belmont Elementary School. If you would like to volunteer to be part of this rewarding and enriching program contact Anne Emerson, the school staff, or any CHS trustee.

## FIRE DEPARTMENT NEWS

By the time you read this we will have already completed the fire prevention program for the Elementary School on October 18. This year's theme is Don't Wait, Check the Date! Replace your smoke alarm detectors every 10 years. One of the things we teach the children is to change the smoke alarm battery every year, and, also check to make sure the smoke alarm is still good. There should also be one or two carbon monoxide detectors in the home. A lot of the newer detectors are made for both smoke & carbon monoxide.

As you know, we are in a drought and all of the water holes and ponds the Fire Department uses for water supply and suppression are very low. This means we are trying to keep the fire danger down. So, we are asking our residents to not burn large piles of brush. Please wait for snow cover. You can still use your seasonal permit to have campfires, just keep in mind how dry the woods are and always have a hose nearby. Never leave a fire unattended. Smokey says "Only You Can Prevent Wild fires!!"

We picked up our new fire truck on Tuesday, the 11th. Firefighter Dave Nelson drove it back from Auburn, Maine. We are currently working to install radios, sirens, shelving and mounting tools, brackets, hardware, etc. I will let everyone know when the truck goes in service.

Sincerely,

~ Chief Peter Angwin

## JUST A NOTE

The Holiday Season can be fun for a lot of reasons. Buying, wrapping, and giving gifts; seeing the smiles on the faces of children (big and small); making angels in the snow, etc. But for some, it's making the choices of heating their homes, feeding or clothing their families, and trying to explain to their children that some are more fortunate than themselves. Yeah, not fun for all! Please donate to our cause and help us to ease some of the burden by feeding those in need and make this holiday season a little bit better! Donations, large or small can make all the difference in the world.

## DONATIONS ARE NEEDED

Donations can be brought in or mailed to Loudon Food Pantry, 30 Chichester Rd., Unit D., Loudon NH 03307. There are also many collection bins in Loudon, Canterbury, and Epsom. Go to [www.loudonfoodpantry.org](http://www.loudonfoodpantry.org) for a current list of needs.

## FINALLY... FAIR NEWS!!!!!!!!!!

The Canterbury Fair Committee is finally able to report that this year's Fair was a wonderFULL success.

We were blessed to have a day that wasn't too hot, had a nice breeze and not too many bugs! What more could we ask for?

Volunteers came from near and far ends of town to set up, work and play Fair Day. Then with a mighty sweep we all tucked the Fair away until next year. Many thanks to you who are new to town who stepped forward to see what being part of Fair Day was all about. Participating in Fair Day is a good way to see and feel why living in our town is so special. We hope you got your fill!

This year's Fair proceeds will be distributed to the Canterbury Fund which serves our whole town, the Canterbury United Community Church and special requests that come before the Fair Committee. All your efforts are appreciated and we, as a community, all benefit from our fellowship.

Look for planning news for next year come January. In the quiet and cold of winter we start mulling things over to see what we can improve upon and hope you will be a part.

SEE YOU AT NEXT YEAR'S FAIR.....Always the last Saturday in July!
