

Town of Canterbury
Selectmen's Meeting
May 20, 2015

Selectmen Present: Bob Steenson
Cheryl Gordon
George Glines

Town Administrator: Ken Folsom

The meeting was called to order at 6:04 PM.

Fire Chief Pete Angwin attended the meeting. A brief discussion was held on how the occupancy permits are stored. Pete reported that he has hard copies for each permit issued.

Pete distributed the Fire Department call volume to date.

The Board thanked Pete for attending.

Diane Currier and Johnny Burgess from AFLAC attended the meeting to present the products available through AFLAC.

Johnny briefly described 3 of the products available, accidental, sick and cancer insurance options. The costs would range from \$4-\$11 per month per product. The costs would be paid by the employees, with no cost to the Town. All the products are portable and can be taken with the employee should they leave the Town of Canterbury.

The Board will review the information and talk to the employees and get back to Johnny and Diane.

Resident Joanne Terino attended the meeting to discuss Thompson Landscaping running equipment late at night.

Joanne explained that he is conducting business late into the night, as late as midnight. There is constant banging from loading trucks late at night. She doesn't begrudge him operating a business, and doesn't think she is being unreasonable given the times of day/night this is occurring.

The Board asked Ken to contact Thompson Landscaping.

Joanne thanked the Selectmen for listening to her concerns.

Road Agent Jim Sawicki attended the meeting. Jim reported that the Grader is currently down. Chadwick Baross is still diagnosing the problem but should be getting back to him by Wednesday.

Jim reported that he would like to start issuing non-residential driveway permits when a 911 number is not required (logging operations, etc.). If this is a permanent driveway, he wants non-residential so that no building can be built. Cheryl expressed concerns with this process.

A brief discussion was held on Jim documenting improvements that he would like to have removed after the operation is completed.

Bob stated that if this going to be a temporary permit, it should have an expiration date. Jim asked if he could go forward with this as a work in progress. The Board approved.

Bob explained that the Board received a request from the Conservation Commission to have the path to Riverland on the mowing list for the highway dept.

The Board thanked Jim.

Library Director Sue LeClair attended the meeting. She reported that the repairs to the Library roof will not be as expensive as originally thought.

Chief John LaRoche attended the meeting. John reported on a few incidents that occurred resulting in a few arrests.

The Board thanked Sue and John for attending.

Sign: A/P Manifest
P/R Manifest
Conservation Commission Appointment slip
License to sell pistols
Revisions to Winter Operations Snow Removal
Revisions to Employee Manual – Health Insurance Contribution
