Agenda

Members present were prepared for the agenda, which was to include
Application form work, discussion of the Center Historic District boundary to
include the Kinter's house, and an update on the Center Barn.

However there had been some mix up over room bookings and the ZBA
were in the Meeting House.

HDC members present formed a quorum to make the decision to adjourn
and postpone the meeting until the following week. There followed some
informal discussion about issues to be worked on.

The documents shared in the carpark were to be circulated by email the
next day. The Chair, Kevin Bragg, will contact Art Hudson.

Next meeting, Wednesday September 22, 7 pm, Meeting House (TBD).

Respectfully submitted,
Lois Scribner, secretary to HDC.
