

From the Pastor

Greetings Canterburians,

I continue to be astounded by the number of opportunities for enjoyment, learning, and mutual neighborly care and commitment offered to us in our seemingly small community. Summer is certainly no exception to this. I encourage you to take advantage of the summer season's activities detailed in this issue. For many, your summer will include visits and vacation time elsewhere. It's a blessing to know that our own town offers so much to see and do with fresh eyes as well. Of course, the high point of July in Canterbury is the Annual Canterbury Fair which takes place the last Saturday of July each year (July 28th this year.)

The Fair is so familiar to many of us we may have forgotten that folks elsewhere may love a personal nudge to join us in our special town that day. I encourage you to invite others you know outside of Canterbury to come and share the day with you and your neighbors. Also, if you are new to Canterbury a great way to meet people in town is to volunteer a little of your time to the various preparations and fair day activities that the fair committee is coordinating. If you would like to volunteer and are not already in communication with the committee, please call the church office and I can connect you to one of the committee members organizing particular volunteer tasks you may have an interest in supporting. Our office number is: (603) 783-9365.

At Canterbury United Community Church, we pray for a safe and enjoyable summer that provides you opportunities for recreation and rejuvenation of your spirits and bodies. If you'd like to join us for Sunday worship this summer, please note that our summer time for worship is 9 a.m. to 10 a.m. with an opportunity for refreshments and fellowship following. If you'd like more information about our Sunday morning worship, please feel free to contact me at the church office (603) 783-9365.

God's Peace,

Pastor Sara

PETALS IN THE PINES SUMMER UPDATE!

We've got plenty of reasons for everyone (kids and grown-ups) to explore the great outdoors. For **kids**, this year we have a new feature: "**Tale Trails.**" Follow the page-signs of a nature book, reading as you walk along our woodland trails. The book pages will lead you to our Nature Explore Outdoor Classroom for fun, hands-on activities related to the story. Currently the book "One Small Place in a Tree" is posted through Thursday, August 16th.

Our third **Tale Trail**, featuring the book, "On One Flower," kicks off August 18th & 19th. We'll have special activities about pollinators and the insects that visit flowers from 9-3 on Saturday and 1-4 on Sunday. \$10 per adult and 1 child, \$5 for each additional child, infants free. Maximum \$20/family. This **Tale Trail** will be open through Thursday, October 11th.

Aside from our opening weekends, visitors can walk the **Tale Trails** any day of the week between 9-6. **Admission is by donation** (suggested \$5 - \$15 per family). Stop on the Farm Stand porch first for instructions (please leave your donations in the gray box mounted on the wall). Trails are not suitable for strollers; please leave pets at home.

"Spread Your Wings" Days are each Thursday from 9-2 for discovery time and spontaneous play in our Nature Explore Outdoor Classroom. (We'll be closed on July 5th and August 9th.) Pack a snack/lunch, dress for the weather, and come join us! \$10 per adult and 1 child, \$5 for each additional child, infants free. Maximum \$20/family. **NEW:** Hobbit Door and (re-opened) tree fort—more ways to cultivate young imaginations!

We also design arrangements for **weddings and other special events**(call for details.) The farm stand is open from 9-6 daily.

Need some quiet time out in nature? Stroll our trails, and listen to the sounds of flowing water, calling birds, and chattering squirrels. Summer is a great time to do a self-guided Garden Tour (we have **25** theme gardens—enjoy them as they change throughout the season). **Trail** maps and guides for the **Garden Tours** (made possible by your donations) are available at the Farm Stand.

The workshop concludes with each team assembling and finishing a stool using no glue or metal fasteners!

Arts Week (July 17-21)

Arts Week at Canterbury is intended to harness The Shaker impulse to create, innovate and collaborate into a contemporary framework. Through the week, artists of varied genres will be invited to immerse themselves in the peace and solitude of The Village during which time they'll install existing works, imagine new works or simply begin something to be continued in their own work space. Throughout the week, visitors will have the opportunity to experience the creative process unfold. On Friday and Saturday, a scheduled showing of the artists' work will be on view. This will include dance, music, painting and photography and unexpected creations born in a setting as pristine and rare as Canterbury Shaker Village.

Visit <http://www.shakers.org/arts-week/> for the complete schedule of performances.

Trees of Shaker Village (July 25, 2-4pm)

The Shakers relied heavily on trees for their source of fuel, materials for buildings and furniture, maple syrup production and so much more. Learning about trees was so important that Elder Henry Blinn planted an arboretum behind the schoolhouse so that the children would learn to identify native tree species and study how different trees were used. Join naturalist Ruth Smith to learn to identify many of the trees that grow among the buildings within Shaker Village and discover some of their important stories and uses. If time and interest allow, further exploration into the woods may be included. Walking will generally be on level ground around the center Village. No prior knowledge or experience is necessary.

Moon Rise Garden Party (July 25, 5:30-7:30pm)

Take a garden tour with the Concord Food Co-op's organic gardener, Andy Messenger and learn about the special partnership between the Village and the Co-op. Try some of the Co-op's specialties and enjoy a free wine and beer tasting while a nearly-full moon rises in the east over the ponds and gardens. FREE for Canterbury Shaker Village and Concord Food Co-op members.

Shaker Oval Box No. 3 Workshop (August 4, 9am-4:30pm)

An authentic Shaker woodworking shop is a terrific location to create the quintessential Shaker oval box. Learn to carve, bend and assemble a No.3 Oval Box (cherry) from master box maker Barbara Beeler.

Free Day (August 4, 10am-4pm)

Admission to the Village is complimentary on this one day, our way of saying "thank you" to our local friends and surrounding community. Enjoy a tour, explore our self-guided exhibit buildings, walk our nature trails, or bring a picnic to eat on lawn. In addition to our regular tours, we'll also have a few special additions to our schedule, including a program designed for families with children and some in-depth examinations of Shaker life for knowledgeable visitors. Don't forget, it's your support as members and donors that makes our preservation of the Shaker legacy possible!

Learn to Tape a Shaker Chair (August 5 or 18, 9am-5pm)

If you've ever thought it would be fun to tape or re-tape your own Shaker chair – this is the workshop for you! Have you ever wondered how the Shakers wove those elegant chair seats without any ends showing? You'll learn to prepare the chair frame, calculate the quantity of tape required, plan a weaving pattern & tape the seat. You'll even get a tool kit to take home! You need to furnish your own suitable chair frame. If you don't have a chair you want to tape, you might be interested in the Shaker Chair in a Box workshop offered in September.

Feasting from the Cookbook: Seasoned With Grace (August 7, 6pm)

Join New Hampshire's favorite cooking instructor and chef Liz Barbour, owner of The Creative Feast for this deliciously interactive cooking demonstration workshop. Liz will begin with a discussion about Shaker cooking tradition and share her experiences with a variety of recipes featured in Eldress Bertha Lindsay's "Seasoned with Grace". Following the discussion Liz will demonstrate 2 recipes from the cookbook and share the tasty ins and outs of each. Generous samples will be available for all.

WEIGHTS AND WALKERS CLASS:

Beginning Friday, June 1st, the Strength Building Class will meet on Mondays and Fridays at 8:30 AM in the Parish Hall. All are welcome. Bring a mat and your own free weights (or you can choose from spare ones available at the Hall.)

If you would like to get some aerobic activity in, join those who walk before class at 8:00 AM. Meet at the back entrance to the Parish Hall off Hackleboro Road. Both activities are FREE and exercisers are encouraged to move at their own pace. We encourage each other!!!

TOWN ADMINISTRATOR

Sam Lake House Update. The framing has been completed, exterior windows and doors installed and work on the exterior trim and siding has begun. The rough electrical and plumbing and heating has also started. With the dry weather we were able to catch up on our construction schedule, so we are back on track for our anticipated move in date in October.

The Police Dept. has hire two new employees. Aaron Smith and Justin Crotty will be full-time patrol officers.

The Board of Selectmen appointed members of the Energy Committee. They are: Nick Fox, Ruth Heath, Sandy Hodsdon, John Hebert and Fred Portnoy. Alternates are David Day and Claudia Leidinger. The committee met June 25th to elect officers and develop a mission statement.

I attended a seminar, "Road Maintenance 101 for Town Administrators and Elected Officials", hosted by UNH T2 Road Scholar program. This was an all-day seminar with topics of discussion on road design and construction, pavement management, pavement aging and life cycle and treatment options and timing, budgeting and maintenance strategies.

The Selectmen met with the elected representatives from our district and NH DOT officials to discuss several the state-maintained roads in Canterbury. Discussion included the intersection of Morrill Road and Kimball Pond Road, child safety in the town center and the re-classification process of State roads.

The Selectmen are pleased to announce the appointment of John O'Connor as our new Road Agent. John has worked for the Highway Dept. since 2004.

Paving projects for town roads this year include: Old Tilton Rd. from #38 to Clough Tavern Rd., Hackleboro Rd. between Lamprey Rd. and Orchard Rd. and from #150 to the end of the current paved section, Intervale Rd. from West Rd. to #163 and from #91 for approx. 1100 feet and from #222 for approx. 1650 feet. Shaker Road from Wyven Road to the town line will have a Sand Seal applied. Work is scheduled for August.

Independence Day celebrations will be held on Wednesday July 4th. A parade from CES to the Center, Fire Truck rides and children's activities will begin at 10 AM. The Fireworks will be provided once again by JPI Pyrotechnics and held at CES at dusk.

Canterbury Youth Soccer

The season will run from September through late October

Preschool, K/1, 2/3, and 4/5/6 teams

Registration Nights will be held in August outside Elkins Public Library

Watch for signs and emails with additional details later in the summer.

We are excited for this year's soccer season. Your coordinator team is Laura Waldron, Barbara Slayton, and Laura Crockford.

We are in need of volunteers: coaches, referees, and people to line the fields.

Contact Laura Crockford at yogaforkids3@gmail.com with questions or if you can help.

Quaker Meeting at the Canterbury Fair

The Quaker Meeting will again have a tent at the Fair, probably near Dave Emerson's Old Ways and Traditions tents. We invite you to rest in the shade, sip some ice water, and relax. The kids can enjoy a simple craft activity to take home or just sit and unwind and read a picture book on a comfy quilt. If you'd like to know more about our worship services, our kids programs, and the Quaker Way, we'd be happy to chat with you (but don't expect a hard sell). We welcome seekers and if you are looking for a spiritual home, stop by and learn more.

Sing Your Heart Out

Because of unfolding plans for summer vacations, we have not yet set our July and August evening sings. But if you'd like to know when we'll have them this summer, please contact Ruth Heath 783-4401 or 724-4343 or ruthmheath@comcast.net. Lift your hearts as you rise your voice in song!

FIRE DEPARTMENT NEWS

Fireworks can be a part of your summer family gatherings. Fireworks should always be used under the supervision of adults. To prevent injuries or damage to property it is important to remember the following safety tips:

1. Always have water on hand in case of an emergency.
2. Aim the fireworks away from flammable material and people.
3. Never extend body parts over the fireworks.
4. Remember to never relight a "dud" firework.

The town of Canterbury will have its annual firework display at Canterbury Elementary on Wednesday July 4th at dark.

Old Folks on Bikes

Per recommendation of our daughter, Susan, Anne and I decided to break out our deeply dust covered mountain bikes and try the Winnisquam Scenic Trail. Susan runs on it and loves it. Her take follows ours.

We drove up Shaker Road onto the main Street of Belmont Village, taking the left fork just after route 140 enters Main Street. At the immediate stop sign with the laundromat across go left up the hill – Church Hill Road which turns into Hurricane Road and ends at a stop sign on Union Road. Go right. Union Road goes to a stop light on Route 3 - Laconia Road. Go left and the Agway store will come up on the right almost immediately, after Piche's – a 25 minute drive. Parking for the southern terminus of the Winnisquam Trail is either at the trail entrance just beyond Agway or in the Agway parking lot.

It's a paved, often fenced, trail with easy grades and nice views of Winnisquam as it goes along side the lake. Good viewing bench and soon after covered picnic tables. Then nice mix of woods. The trail ends at Leslie Beach where it connects with the WOW Trail, about 2 miles. WOW trail proceeds through Laconia downtown and beyond toward Lakeport. The trail intersection is across the road to Leslie Beach which is exactly opposite where Route 11 intersects with Route 3. A 2 mile trail, 1 hour walk and less of a bike ride than the 45 minutes Anne and I took. There's parking at this end also. We heard one loon, quite near. I think the trail could be quite busy on weekends.

I plan on biking the trail again all the way to Downtown Gym in Laconia, where Susan teaches running, where her runs on the Winnisquam and WOW trails start. There is also parking there.

Recommended easy, level, smooth dirt and pine duff bikeable trails – along the Merrimack R. from Sewalls Falls Bridge, and Lehtinen Trails from end of Runnel's Road in Penacook along the Contoocook R.

LOUDON FOOD PANTRY

May 2018 Numbers

In April, we gave out enough food to create 6,130 meals that fed 564 individuals. Out of the persons being fed, 185 were younger than 18; 155 were older than 60 and 224 were in between the ages of 18 and 60.

Just a Reminder...

We are closed July 4th week.

What this means to the people that **receive food from us...**

During this closed week, there will be no appointments made to give out food. We gave them two weeks' worth of food during the last week of June.

What this means to **our donors...**

During this closed week, we will not be accepting donations.

Canterbury Fair – Saturday July 28th

We will be at the Canterbury Fair on Saturday July 28th. Our booth is usually located near the store. You will find information about the pantry and items sold to support the pantry there. We will also be collecting donations as well. Hope to see you there!

To find out more about the fair, go to

Loudon Old Home Day – Saturday August 11th

South of the Border is the theme for Loudon Old Home Day this year. We will be there ready to answer any questions, hand out information, sell some items to support the pantry, and collect any donations! Drop by our booth and say hello!

Running on the Trails – and links to photos

I ran for 60 minutes on the nearby WOW trail and the connected Lake Winnisquam Scenic Trail on Friday and I had one of my most enjoyable runs ever. I got my heart rate up for a long time and this was a really good, intense workout. I enjoyed running the last 3 minutes at an accelerated pace, so it was a fast finish run. These trails both have very impressive scenic views of the lake, which enhanced my running experience in a way that I loved. I also admired the majestic evergreen trees. My run included some long, gradual hills which were great for getting my heart rate up and keeping it up. I look forward to running on these trails again soon, so I can admire the scenic lake views again. These views help make a challenging run feel so relaxing and fun.

There are some beautiful photos at this link that showcase the scenery on the Lake Winnisquam Scenic Trail. <https://www.traillink.com/trail/lake-winnisquam-scenic-trail/>. I especially love the lake view photo. Here is the WOW trail website <https://www.wowtrail.org>. I will take my own photos of this beautiful scenery this summer so I can share them with the group.
