

Canterbury's Plan for Tomorrow Update VISIONING SESSION

Town Center

Saturday, June 18, 2022 | 10 AM – 12 PM

What do you want your Town
to look like in 10 years?

The Planning Board cordially invites you to attend the Canterbury Plan for Tomorrow (the Town Master Plan) Update Visioning Session on Saturday, June 18 from 10AM to 12PM. This is a great opportunity for residents to offer suggestions on important Town issues and to get involved in the community planning process. Light refreshments will be available.

Spend a couple of hours with us to hear about the Community Survey results and discuss plan update topics in small groups within the Town Center buildings. These discussion groups include:

Land Use & Economic Development
Natural & Cultural Resources
Transportation
Agriculture
Housing

Community and Recreational Facilities & Utilities and Internet & Energy

For more information, email Lois Scribner, Planning Board Secretary
at planningboard@canterbury-nh.org.
