**Re: Waiver request; Site Plan Application for Campground at 137 Old Tilton Road, Canterbury**

As requested, please consider this letter a request for a waiver on item 2a “a topographical survey”. Additionally, my original waiver request included items 2 c & d, but I will reiterate it here in case it was overlooked.

I feel I have adequately addressed my reasoning for requesting these waivers in my response letter of December 27, 2020.

Thank you,

LeeAnn Mackey
