

Ordinance Amendment for Harry and Sarah Kinter property to be included in the  
Center Historic District, November 2021

The Kinters propose the following insertion into Page 57 of the Town Ordinance, describing the Center Historic District, starting at line 7 from the bottom of the page, and beginning after the name "Peterson". The full sentence, with the insertion here in italics, would read:

" Thence turning and running Northwesterly along the Easterly side of Morrill Road along the property line N/F of Peterson, *to a point directly opposite the corner of N/F Kinter and Peterson properties across and on the southerly side of Morrill Road, thence along the Kinter property boundary southwesterly, southerly, westerly, northerly and easterly to Morrill Road, encompassing the 3+ acre Kinter lot (also known as lot 23 on Tax Map 107) thence across Morrill Road to the property corner of Peterson and N/F Brillhart, thence along*" Brillhart (065/002) and Keeler (065/001) to a point at the intersection of Kimball Pond Road.
