

## SOLID WASTE COMMITTEE AGENDA

Monday, December 5, 3.30 pm  
Library Conference Room

1. Call to Order
2. Draft Minutes November 21, 2022 (if available)
3. Baler Purchase - Questions and Issues
  1. Will it fit
  2. How old is the equipment
    - a. What is done to the Baler to make it "refurbished"
  3. What is the warranty
  4. Repair history
  5. Maintenance cost
  6. Power upgrade for a 20HP unit
  7. Heater, is it included
  8. Can we do cardboard and plastics
  9. Is the power supply at the TS adequate
  10. Is the heater included in the horizontal baler? Is it an add-on for the vertical baler?
  11. We understand that the horizontal baler could handle all of our baling needs: cardboard AND plastic AND metal cans. Is the vertical baler also capable of handling BOTH cardboard and plastic or is it only capable of handling EITHER cardboard OR plastic?
4. Agenda for next meeting and date
5. Adjournment
